Outdoor Furniture Using Instruction

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected more than necessary.

- If possible, store in a cool dry place indoors.
- If the furniture is stored outside, cover it with a waterproof cover.
- After a rain or snowfall, wipe off excess water or snow from flat surfaces.
- Allow air to circulate to avoid condensation.
- Make sure the cushion is completely dry before storing it away in a storage bag or storage box.
