Manufactured to BS 8509:2008+A1:2011
SAFETY WARNING AND GENERAL NOTES:

IMPORTANT! KEEP FOR FUTURE REFERENCE.

PLEASE READ this sheet prior to assembly to familiarize yourself with the various stage of construction. Carefully open the pack supplied and check against the part and fitting check list. Do not destroy any of the packing until you are certain that you have all the necessary parts for assembly.
CAUTION: There are small components used in the construction of this unit. These loose items should be kept away from young children whilst assembling your unit to avoid the danger of choking hazards.
The age range of the child for which the child's bed is intended.
Children are likely to play, bounce, jump and climb on beds,therefore the child's bed should not be placed too close to other furniture or windows, blind cords, curtain pulls or other strings or cords, and should be placed either tight to any wall or have a gap of 300 mm between the wall and the side of the bed. Any additional or replacement parts are obtained from the manufacturer or distributor.

WARNINGS:

WARNING. Do not place this child's bed near heat sources, windows, and other furniture.
WARNING. Do not use this child's bed if any part is broken, torn, or missing.
WARNING. Not suitable for children under 4 years.
Due to size of this product, we recommend that it is assembled in the room intended for use.
This product should only be used on firm, level ground.
Please read through this leaflet and follow the simple step-by-step instructions.
Please ensure all parts and hardware are as per listed. (Tools are not included unless specified in the parts list)
Please keep all fittings out of reach of children.
Please ensure the parts are placed on a flat & clean surface before assembly.
Please ensure a clean, dry, and spacious area for assembly.
Do not use power tools to construct this product.
Do not over tighten the screw or bolts.
Do not fully tighten the screws until the product is fully assembled.
Do not expose this product to water, rain or areas with heavy moisture.
Do not place this product in direct sunlight, this could lead to colour fading.
Do not expose this product to open flame sources such as candles, or extreme heat sources, such as radiators - this will melt the covering.
Do not use this product for long period in rooms over 35°c.
Do not stand or jump on the product.
Ensure the product is fully assembled and secured as illustrated before use.
Ensure the leg always remain in contact with the ground.
Ensure all screws or bolts are tightened and inspected regularly.
Ensure the ventilation of the room is necessary in order to keep the humidity low and to prevent mould
in and around the bed.
The child's bed should not be placed too close to other furniture or windows, blind cords, curtain pulls
or other strings or cords and should be placed either tight to any wall or have a gap of 300mm between
the wall and the side of the bed.
Recommended mattress size 190(L) x 90(W) cm.
Recommended mattress thickness 12-16cm
If for any reason you need to return this item, you must return in original packaging. Please note that
assembled items cannot be returned.
Please do not dismantling after complete assembled for using.

CARE INFORMATION:

Do not use solvent-based cleaners or detergents as this can bleach the covering and cause damage.

Never use abrasives cleaning materials or chemical cleaners.

To clean, wipe with a damp sponge and warm soapy water.
